External session

10:00 a.m. - 11:00 a.m.

---

Master Class

Master Class

### **Master Class: How to choose the correct anticoagulation for the general cardiology patient?**

Tutor: Claudia Herrera Siklódy (Lausanne)

The Master Classes take place outside the congress platform, by pre-registration. The access data for the session will be sent to all registered participants a few days in advance.
