

## Abstract submission guidelines

The 65<sup>th</sup> Annual Meeting of the Society of Thrombosis and Hemostasis Research (GTH) will be held **simply online** from **22 - 26 February 2021**. One goal of the GTH annual meeting is to present the best new scientific research in all areas of thrombosis and hemostasis.

By submitting the abstract, authors choose the format in which they are willing to present their abstract during the official congress (**oral communication or poster**).

Thank you for submitting your abstract!

1. Abstracts presentation types:
  - a. Oral Communication or Poster presentation (depending on the decision of the jury)
  - b. Poster presentationPlease note that abstracts marked with a preference for poster presentation only will NOT be considered for oral communication, regardless of their score.
2. Abstracts can **only** be submitted **online**. Abstracts sent by fax or email will not be considered.
3. Abstract language is **English only**.
4. The content of the abstract must be structured as follows:
  - a. Background and Objective
  - b. Methods
  - c. Results
  - d. Conclusion
5. Abstract text should not exceed **2400 characters** (including spaces, without title, author names, and institute).
6. Relevant tables, graphs and photos can be included within one High End PDF of a total size of max. 10MB.
7. Authors must select one of the 15 subject areas and up to three interdisciplinary area that best describes the content of their abstract.
8. Once submitted, it is possible to make corrections to the abstract content **until the abstract submission deadline**. If accepted, your abstract will be published on the congress website.
9. In case you want to withdraw a submitted abstract after submission deadline, please notify us as quickly as possible at [gth2021@meister-concept.ch](mailto:gth2021@meister-concept.ch). All abstract withdrawals must be received in writing (via e-mail) by the end of October 2020.
10. Do NOT use ALL UPPER-CASE characters in title and text.
11. Avoid unknown abbreviations in the abstract.
12. Do not mention any of the authors, institute, or hospital in the title, abstract, annexes or in the remarks. Do not report full references to your previous publications.
13. Authors list: Please note that the first author is the abstract presenter by default and contact person for all correspondence. This can be modified if necessary. In all cases, the presenter must be one of the co-authors of the submitted abstract. The authors' order and details (names, cities and country codes) will be published as entered by the submitter.
14. The submitted abstract should not have been published or presented before at international scientific congresses.

15. Do not format text (underline, bold, italics, superscript or subscript).

Guideline for character replacement:

Superscript	^ (e.g. 10 <sup>2</sup> = 100)
Lower and equal	<=
Greater and equal	>=
Greek letters	spell out (e.g. gamma)

16. Relevant tables, graphs and photos can be included within one High End PDF of a total size of max. 10MB.
17. Submission of the abstract will be confirmed automatically by email. If this confirmation mail is not received, the submission has probably not been fulfilled.
18. After abstract submission deadline, all abstracts will be sent to the GTH2021 Abstract Reviewers according to the subject categories for blinded peer review and scoring. **Submitted non-anonymized abstracts (see point 12) will NOT be sent out for review.**
19. Final decision on acceptance, Oral communication or Poster presentation, will be made by the Program Committee in November 2020 and communicated to the presenting author before the end of November 2020 by email.
20. Submission of an abstract constitutes a formal commitment by the author(s) to present the work if accepted. All expenses (congress registration...) associated with the submission and presentation of an abstract, are under the responsibility of the presenter.
